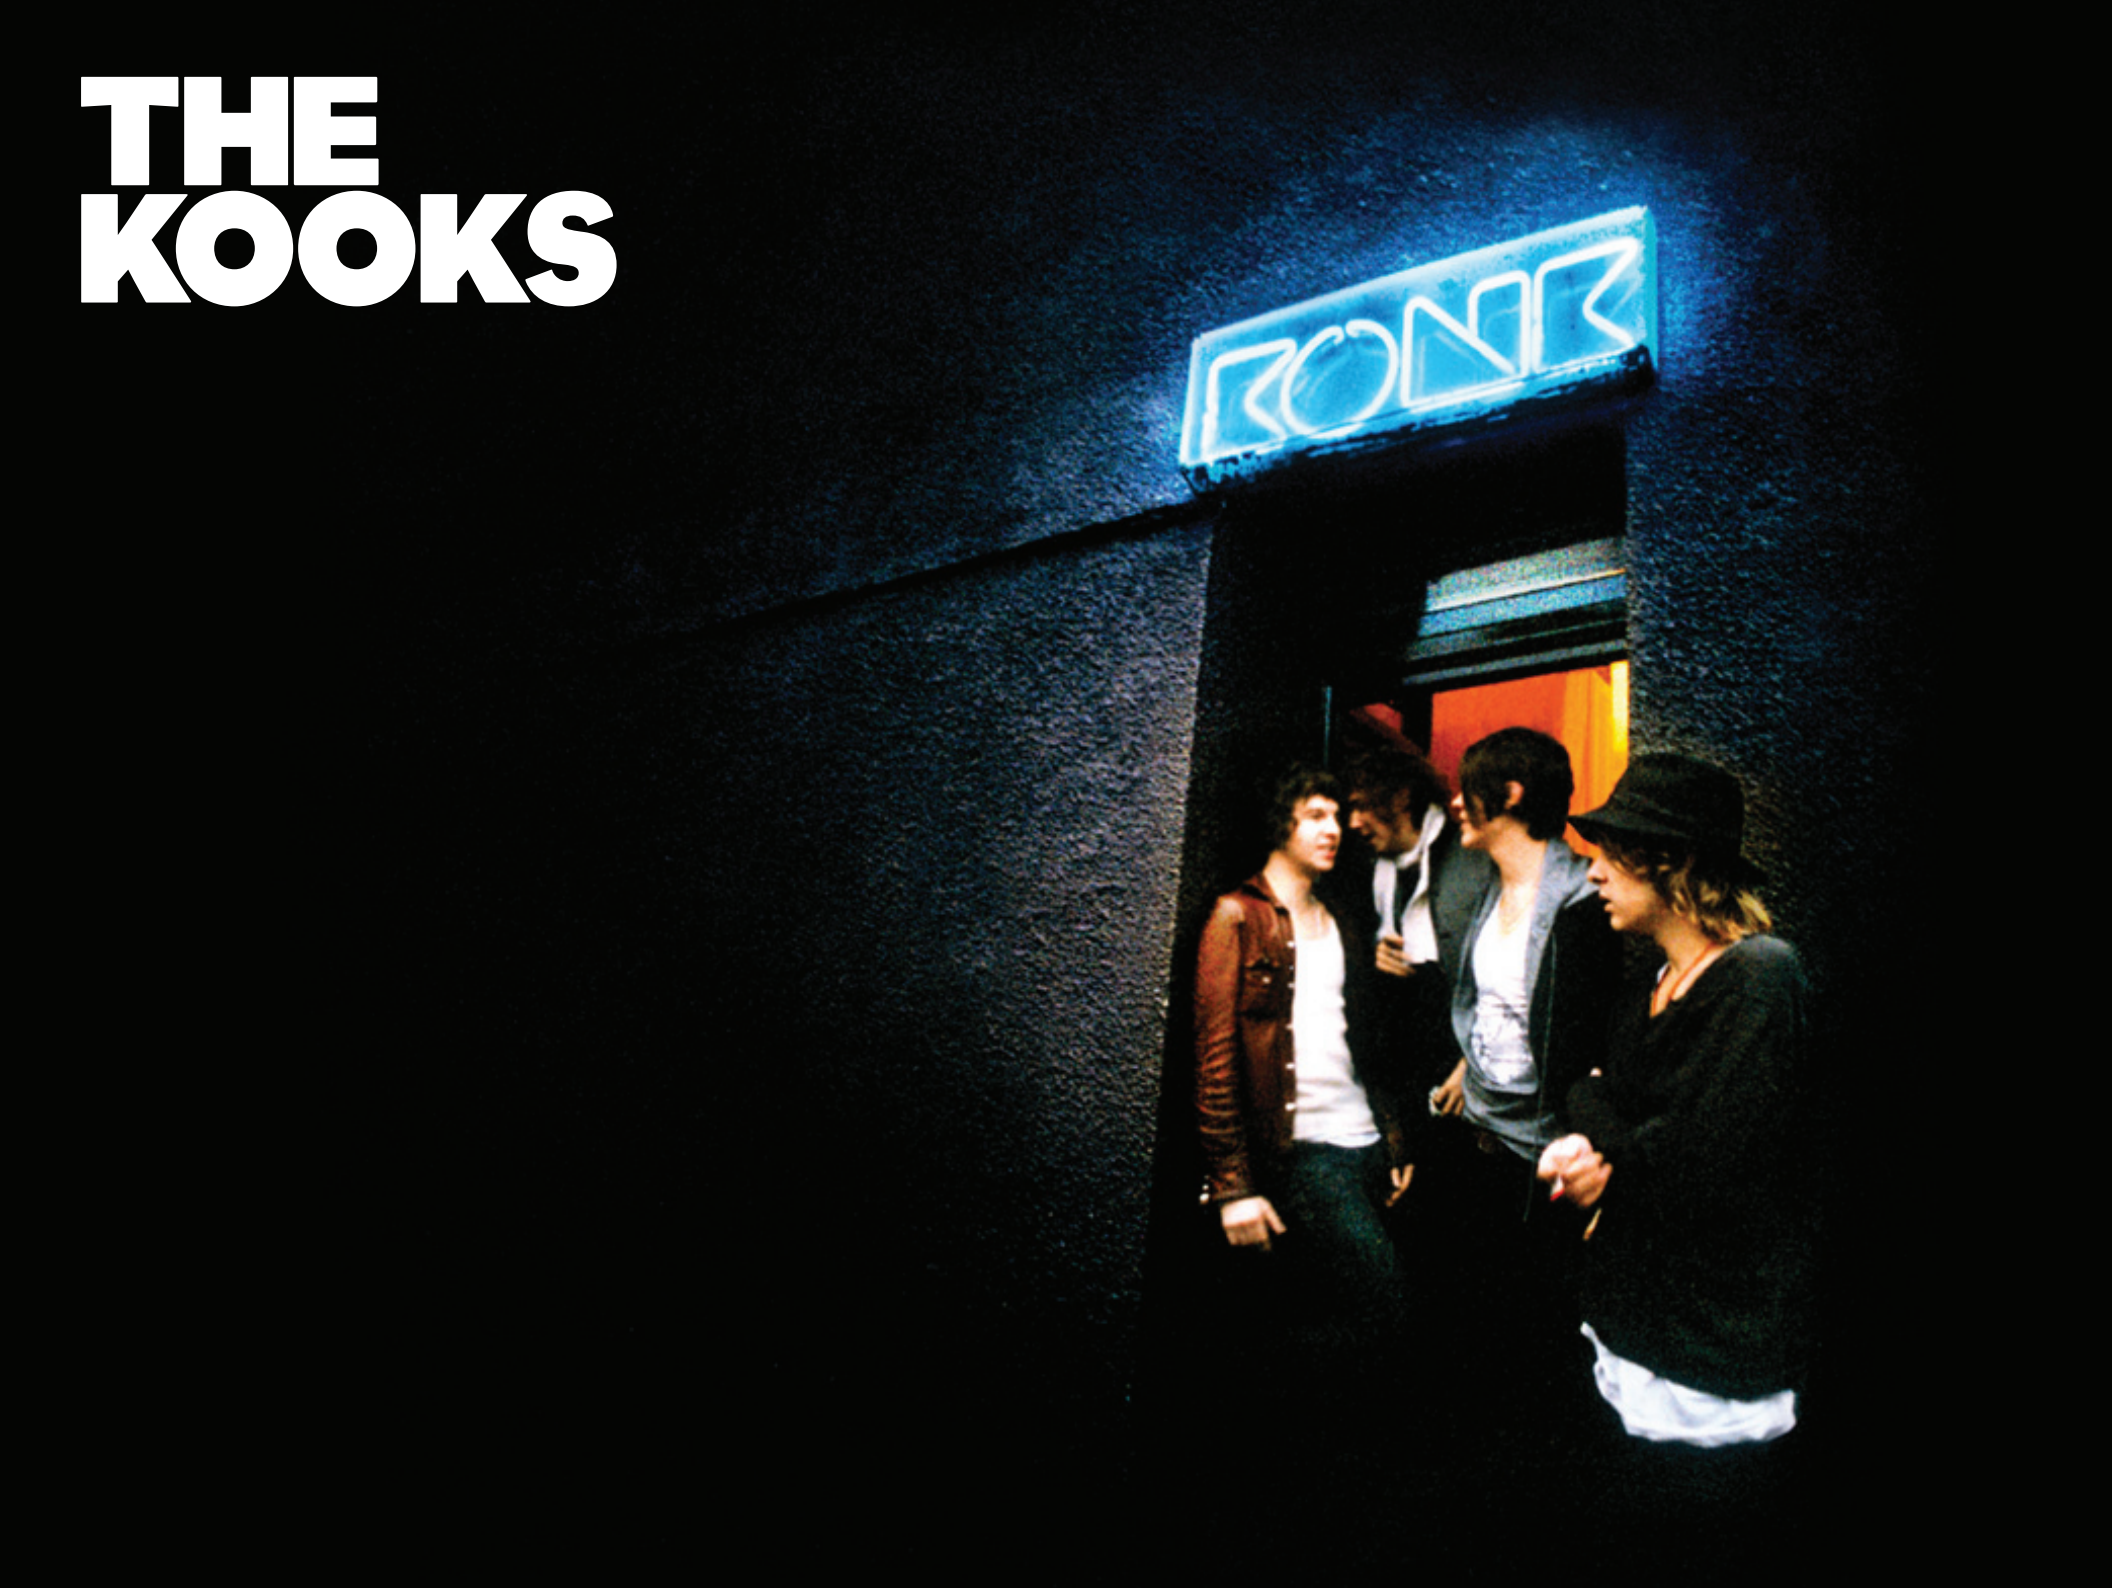
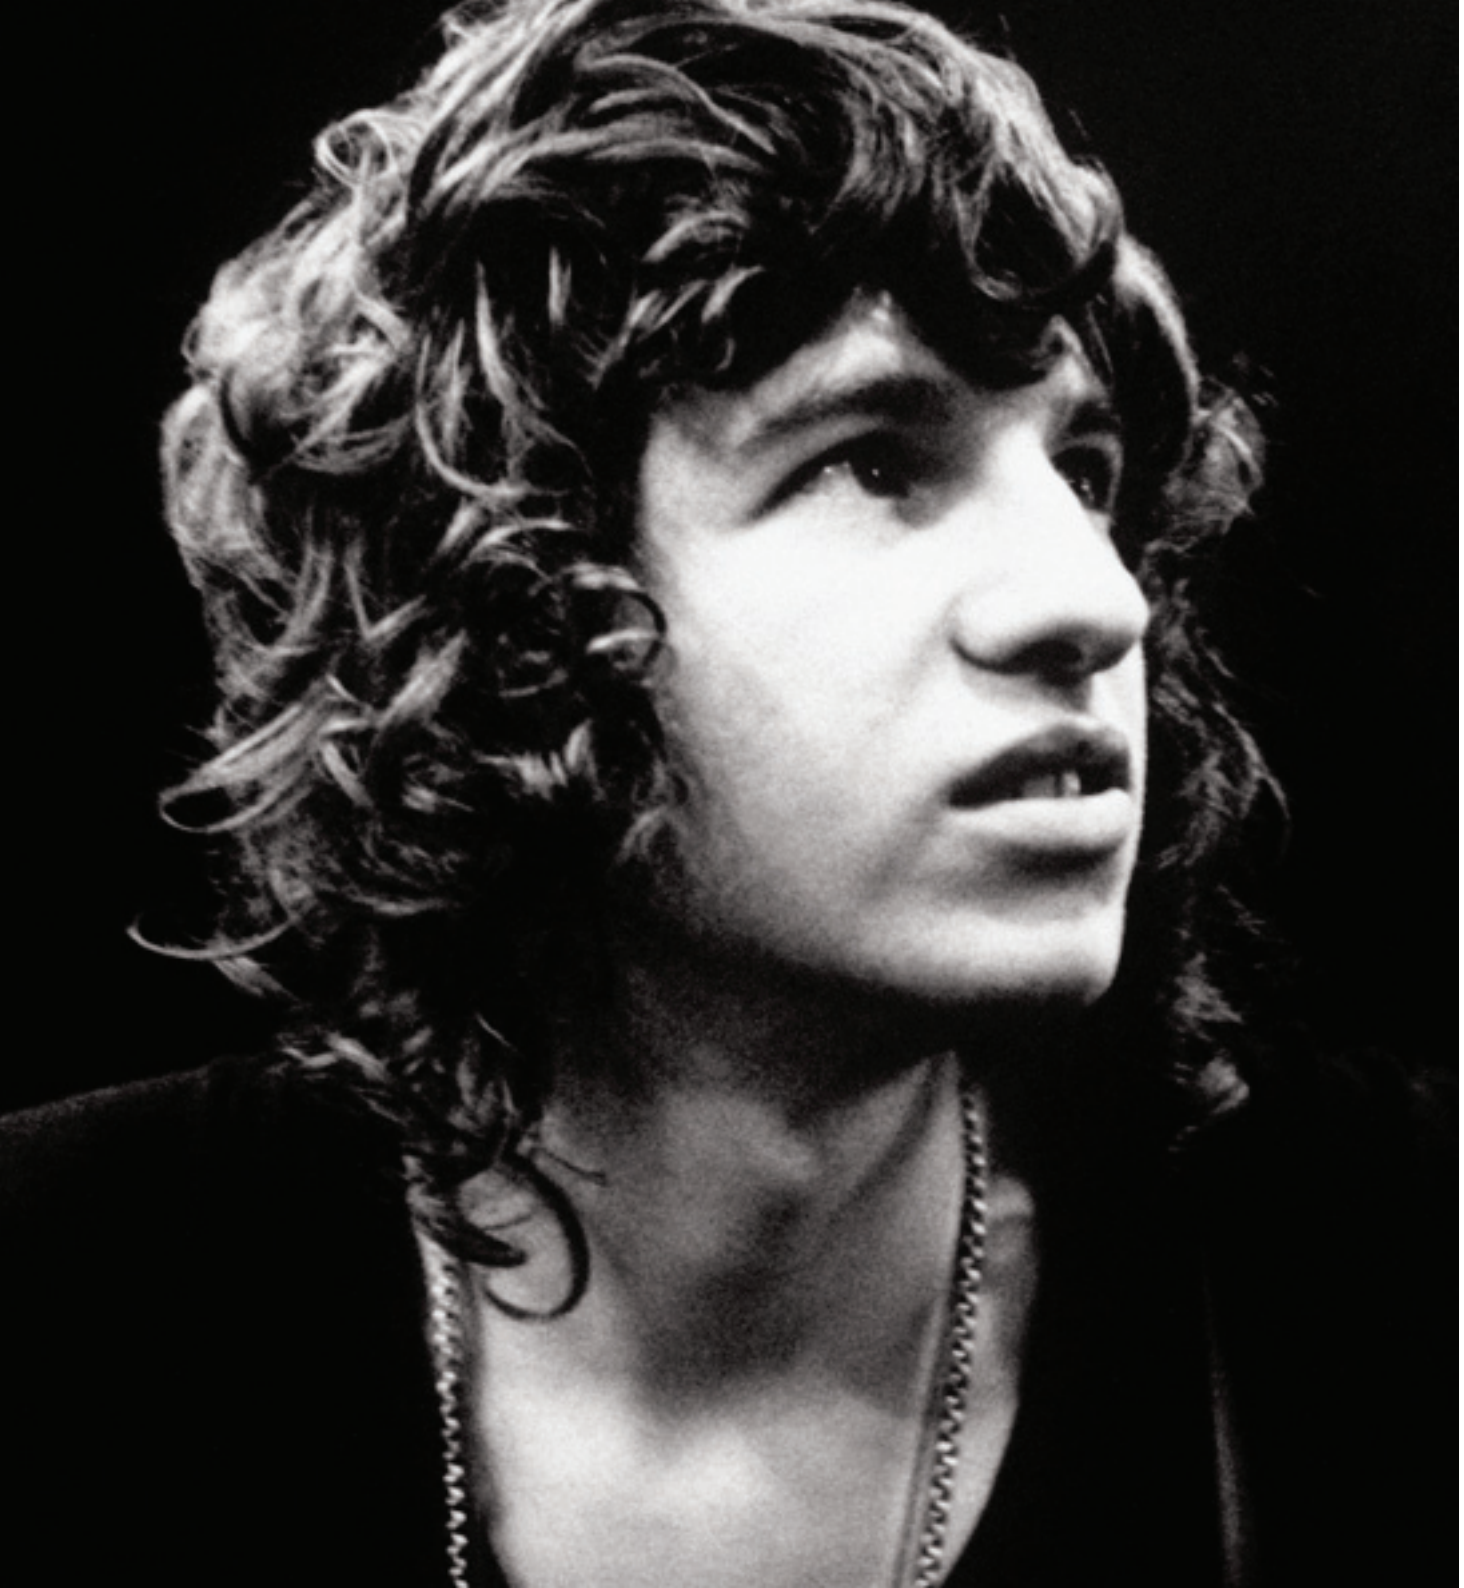
THE KOOKS





SEE THE SUN

You can have it all and wrap it in the world, you can have everything, you can have love and lots of other things, to make you think, but when it all comes down to you girl, no matter what you do, take a look at yourself and realise, I've been good to you, I've been good to you, oh no, I didn't mean to say what I did say, about lovers and how they should lay, that was never for me to say and say, don't you see now how I pay, I see the sun rising, but all you see is it fall, fall, fall, so come on up, wasn't it you who said life was like a plastic cup, to be used and then disposed of, but that's no way to live a life like yours, don't you see now how I pay, I see the sun rising but all you see is it fall, fall, fall, for all the times I never, never turned away, and now she's here on someone else's arm for all the times I never, never turned her way, and now she's here on someone else's arm.

ALWAYS WHERE I NEED TO BE

She don't know who she is, I can take her anywhere, do whatever comes naturally to you, you know she just don't care, because I am always where I need to be, but I always thought I would end up with you, eventually, now I see her again, I ask to be her hummingbird, whisper words in her ear, oh now you know I just don't care, because I am always where I need to be, and I always thought I would end up with you, eventually, I'm a man, I'm a man on the scene, I'm a man, and I can be so obscene, because I always think that I know how to be, but I always thought I would end up with you, eventually, I'm a man, I'm a man on the scene, I'm a man, and I can be so obscene.

MR. MAKER

Mr. Maker he's got it made, a beautiful wife and a baby on the way, and his bills are already paid, no need to skrimp no need to save, but all around him the world grows hard, he thinks to himself he must've played a lucky card, if he was alone he'd give it all away, to people and things that he wanted to save, but oh no it's alright, Mr. Maker he'll be fine, it's alright it's ok, because of the love he gave away, oh yeah, oh yeah, doesn't stop to think that it's because of he, always doing right he stays healthy, the girls in the alleys won't get hold of him, he's got no time for that kind of sin, he's not a member of the Catholic Church, the pastor of his town got sent down for dirt, he sees the boys from Sunday school, it's hard to believe what he read in the morning news, but oh no it's alright, Mr. Maker he'll be fine, it's alright it's ok, because of the love he gave away, oh yeah, oh yeah, heartbeat stay heavy, lovers all please, stay on your feet for me, but oh no it's alright, Mr. Maker he'll be fine, it's alright it's ok, because of the love he gave away, oh yeah, oh yeah

DO YOU WANNA

I was hoping, that you had an atlas in your head, so fed up of the same old man, there's broken bedrooms, and there are broken hands, are you so fed up of the same old broken man, do you wanna, do you wanna make love to me, I know you wanna, I know you wanna make love to me, I came to tell you, that you're my favourite girl, and would you like it, if I put you into my world, there's broken hearts in the basement, and broken love on the street, are you so fed up with it always involving me, do you wanna, do you wanna make love to me, I know you wanna, I know you wanna make love to me.

GAP

So put a spanner in the works, of your mind, it's easier to work, but I don't mind, you're better in defeat, so just don't try, to take away all the things, so dear in my life, I have to break down all the corners of the world, don't heap this praise on me, I know I don't deserve it, what's all this I see, you're leaving right beside me, and I miss you, and I need you, and I do, don't go and take my love, I won't let you, I'm saying please don't go, so leave your lover now, it's your turn, gonna see your mother now, I hope she's ok, you're better in defeat, so let us not try, to take away all the things, so dear in our lives, I have to break down all, the corners of the world, don't heap this praise on me, I know I don't deserve it, what's all this I see, you're leaving right beside me, and I miss you, and I need you, and I do, don't go and take my love, I won't let you, I'm saying please don't go, all of my life, trying to understand, all of my life, trying to hold a hand, I have to break down all the corners of this world, don't heap this praise on me, I know I don't deserve it, what's all this I see, you're leaving right beside me, and I miss you, and I love you, and that's true.

LOVE IT ALL

See I've got this woman here, she loves me all the time, no need for excuses, no pressures in my mind, and she says, love it all, my heart was living down, and I'd been pushed over the line, but on your hand this be broken, and I'll be all over this time, and she says, love it all.

STORMY WEATHER

Yes I like stormy weather, from my window sill, but you ain't yeah, you ain't so clever, you've got it all made up, but it feels like love, love, love, oh yes and it feels like touch, touch, touch, I sit around to pass the time, I try to get it off my mind, that I live in a world oh so small, that I can't get around at all, but it feels like love, love, love, oh yes and it feels like touch, touch, touch, what did I say, what did I say, I didn't mean it, what did I do, to hurt you, I didn't mean it, I didn't mean it, I'm not saying it's all made up, there's people there to comb your hair, but I'll seek out another soul, one girl that's so beautiful, that it feels like love, love, love, oh yes and it feels like touch, touch, touch, what did I say, what did I say, I didn't mean it, what did I do, to hurt you, I didn't mean it, I didn't mean it, but it feels like love, love, love.

SWAY

Say whatever you have to say, I'll stand by you, do whatever you have to do, to get it out and not become, a reactionary to hurt the ones you love, I know you never meant to but you did, be whoever you have to be, I won't judge you, and sing whatever you have to sing, and get it out and not become, a recluse about your house, come out, I know you never meant to but you did, still I need your sway, cause you always pay for it, and I need your soul, cause you're always soulful, and I need your heart, cause you're always in the right places, and take whatever you have to take, you know I love ya, come however you have to come, to get it out and get it out, and take it out on me, take it out on me, I'd give it you all, I'd give it you all, yes I would give it you all, cause I need your sway, cause you always pay for it, and I need your soul, cause you're always soulful, and I need your heart, cause you're always in the right places.

SHINE ON

Safety pins holding up the things, that make you mine, about your hair you needn't care, you look beautiful all the time, shine, shine, shine on, won't you shine, shine, shine on, your magazines rip people at the seams, but you still read, I must admit I don't believe in it, but I see how you get sucked in, shine, shine, shine on, won't you shine, shine, shine on, shine, shine, shine on, won't you shine, shine, shine on, cause you're not done, why do you bite the hand that feeds you, why do you bite the hand that feeds, shine, shine, shine on, won't you shine, shine, shine on, shine, shine, shine on, won't you shine, shine, shine on, cause you're not done, safety pins holding up the things, that make you mine, about your hair you needn't care, you look beautiful all the time.

DOWN TO THE MARKET

I'm gonna take you down to the market lover, cause that's where the trouble starts, you gotta get it into your heart, there are people out there to make you feel bad, but don't you listen baby don't you listen, because I know you feel that way, but I'm getting so tired, of people always crossing my wires, life's just far too short, for mis-comunication, I'm gonna take her down to the market today, cause thats where the trouble starts, you don't want nobody else, there are people out there to make you feel good, but don't you listen baby don't you listen, because you know they want it all, but I'm getting so tired, of people always crossing my wires, life's just far too short, for miscomunication.

ONE LAST TIME

Can I hold you one last time, to fight the fear that is growing in my mind, I know I did us both oh so wrong, I know I'm not always all that strong, A, B, C, D, E, F and G, that reminds me of when we were free, before life began to tear us apart, remember those classes when we thought we were so smart, we were lovers in every way, left school together went back to my place, now I can hardly remember her face, before I met her I was sad, so can I hold you one last time, to fight this fear that is growing in my mind.

TICK OF TIME

It's far too early in the morning, to be trying to call you, and far too early in the daytime, to be thinking about that, but I am, what did I do in a past life, to deserve this, the way I make myself, far too innocent to be a part of, such a cruel world, and it is, and it is, and it is, so I'll go, yes I'll go, so I'll take that train and ride, hoping I could rhyme her a rhyme, that might stop the tick of time, get off this situation and feel fine, get off this situation and feel fine, what did I do to deserve her love, I have to ask myself, when I am such a bad man, but only to her, only to her, only to her, so I'll go, yes I'll go, so I'll take that train and ride, hoping I could rhyme her a rhyme, that might stop the tick of time, get off this situation and feel fine, get off this situation and feel fine.

ALL OVER TOWN

Dear sir did I see you fleeting, I care for your heart but not for it beating, you try to put a frown on me fell me down, you're spreading bad things about me, all over town, but I'll show no frown, because all over town, all over town, there are people who would, undermine you if they could, don't let them in, what do you see when you see me sir, the very same thing that makes you bitter, see you say all these outrageous things that's what you do, but you're no poet man, you just want everyone looking at you, so I'll show no frown.
